

North Quabbin Garden Club

*an affiliate of the Millers River Environmental Center
100 Main Street, Athol, MA 01331*

OUR PURPOSE: To encourage interest in all phases of home gardening,
to promote better horticultural practices, and to foster civic beauty,
with an emphasis on native plants, organic gardening,
and the conservation of natural resources

The North Quabbin Garden Club...

- ❖ Holds meetings featuring informative speakers or workshop sessions
- ❖ Offers members discounts at local nurseries
- ❖ Works on a wildlife habitat garden at the MREC
- ❖ Supports other civic gardens or town beautification projects in member towns
- ❖ Supports local conservation efforts and fosters understanding of native plants and wildlife
- ❖ Explores other garden interests via field trips and committees
- ❖ Holds a spring sale of perennial plants and specialty items
- ❖ Gives members information, hands-on experiences, satisfaction and fun
